

COMMITTED PROJECT WORKFORCE

CONTRACT # _____

CONTRACTOR: _____

ADDRESS: _____

Construction workforce participation goals are 32% minority and 20% women.

Instructions: Step 1. Prime contractor distributes the form to subcontractors. 2. All tiers complete a form detailing self-performed labor and return to prime. Prime contractor compiles all forms and calculates total estimated project workforce for the Construction Affirmative Action Plan, Attachment A. Prime contractor scans all forms and attach to their utilization plan for submittal.

Column 1: Enter **Construction Trade Title & Name of potential worker for each work category** on this project.
