

**Notes:**

1. a) Traffic volumes on the Hennepin County Highway System are counted on alternating years. Zone I is counted in even years and Zone II is counted in odd years. If a count is not current, it is indicated by red underlined italics.  
b) To view traffic counts visit our interactive map. <https://www.hennepin.us/business/work-with-henn-co/transportation-planning-design>
2. Heavy commercial traffic volumes on the County Highway System within the City of Minneapolis are managed by the Traffic Engineering Division of Minneapolis Department of Public Works, but are not yet available for publishing. For further information or updates, call the City at (612) 673-5413.
3. Heavy commercial traffic volumes for Interstate, U.S. and State Trunk Highways were furnished by the Minnesota Department of Transportation. All are 2019 counts. MnDOT counts are shown in **bold italics**. Call MnDOT at (651) 366-3856 for further information or visit their interactive map. <http://www.dot.state.mn.us/traffic/data/tma.html>
4. Except as noted above, for further information about traffic volumes on the County Highway System contact the Hennepin County Transportation Department at (612) 596-0240.
