

Minnetonka Boulevard reconstruction  
**OPEN HOUSE**

Welcome! Please sign in.

# Project background

- Hennepin County will reconstruct Minnetonka Boulevard (County Road 5) between Highway 100 and France Avenue in St. Louis Park.
- The existing roadway hasn't been reconstructed since 1952 and is nearing the end of its lifecycle.
- The county and its partners are developing a plan for the corridor to better serve current and future users.

## Next steps

- February 2024: City Council approval
- July 2024: construction begins

# Final design

**Between Ottawa Avenue and Natchez Avenue (looking east)**

## Benefits

-  Provides bike facilities, enhances pedestrian facilities
-  Provides ADA compliant curb ramps, boulevards between curb and path, accessible pedestrian signals
-  Provides dedicated bike facilities, no separation of bikes from pedestrians
-  Opportunities to enhance bus stops on both sides, direct access to path
-  More opportunities for green stormwater infrastructure, buffers pedestrians from traffic
-  3-lane roadway with two-way left turn lane and medians creates safer and more intuitive traffic operations
-  Limited right of way impacts, lowest construction costs, additional maintenance of two paths

# Construction overview

- Residential and business access will be maintained at all times.
- Other motorists traveling through the area will use the posted detour to County Road 25.
- Wayfinding signage will be provided as needed.
- Advance notice will be provided to residents and businesses prior to any closures.

# Construction staging

## 2024 construction (July - November)

- Lake Street/County Road 25 will remain open throughout construction.
- Intermittent lane and intersections closures will occur on Minnetonka Boulevard.
- Residents, businesses and customers can rely on nearby local connections for access while closures are in place.

## 2025 construction (April - November)

- Lane and intersection closures will occur in segments on Minnetonka Boulevard.
- No two consecutive intersections will be closed at the same time.
- Residents, businesses and customers can rely on nearby local connections for access while closures are in place.
- Northbound Highway 100 ramps will be closed for two weeks.
